WIG-O-MANIA – BUILDING A BRAND IN THE ALTERNATE HAIR INDUSTRY

Heard of Rapunzel lauded for her beautiful long hair? Yes this may be a fairy tale, yet healthy hair has always attracted a metaphorical pull not just in the pixie world but also in the real world. For centuries men and women across the globe have craved for beautiful and shiny hair. Giving wings to their dreams, Wig-O-Mania is your one stop shopping destination for all your hair needs be it for fashion and necessity wearers.

WIG-O-MANIA brand of hair products is a UK based company since 2006 that offers a one-stop solution for an exclusive range of Extensions, Wigs & Hairpieces. It is capable of catering to a very wide segment of the industry as its products are made in Remy human hair, Japanese high heat fibre & superior quality of Synthetic fibre that has the look and feel of European hair.

Wig-O-Mania clients can now have hair-wear options they never dreamed possible. Whether it is for a personal use, a social occasion, catwalk or even a magazine photo shoot - our versatile and durable styles are aimed at creating a variety of stunning looks with that added sophistication.

Be it necessity wearers or high fashion individuals - we are able to cater to all requirements based on market demand.

WOM are manufacturers and promoters of its own brand, without a chain of distributors and middlemen. The WOM brand brings with it a wealth of resources of knowledge and experience in all areas related to its business.

WIG-O-MANIA FAMILY – WE ARE ONE!

WIG-O-MANIA comprises of a bunch of highly versatile, widely experienced and passionate members who have together driven it from a local UK company to an internationally recognised brand that has the ability to not only compete with the top brands across the world, but capable of manufacturing a complete range of exclusive products catering to almost the entire spectrum of male and female requirements.

WHY INVEST IN THE BEAUTY INDUSTRY?

- ✔ It is a vertical growing business which is highly fragmented and going through an evolution.
- ✔ There is huge growing awareness for hair care and beauty in both men and women in India.
- ✔ As per data from The Federation of Indian Chambers of Commerce and Industry and Ernst & Young, the beauty market and the wellness industry is pegged at Rs. 4,010 crore with a steady growth rate of 20% - more than twice the annual growth. (CII reports)
- ✔ An increasing number of middle-class sections are turning to beauty care.
- ✔ The potential in terms of numbers, along with the continuous growth of urban population and mass media at our disposal can generate a multi million dollar corporate business.
- ✔ Increasing number of consumers willing to pay a premium fee for beauty care and styling.
- ✔ This has given rise to high end quality beauty care treatments and spas that cater to the demand by a widening section of the population.
- ✔ Hence the need for hair products which offer the versatility and options that are easily available in the West.

WIG-O-MANIA BUSINESS PROFILE – CREATING A NICHE

WIG-O-MANIA is a hair brand that is capable of catering to a very wide segment of the Indian market - from high end individuals to the middle class with an average income. It wants to become a household name as a One-Stop shop for all hair pieces needs for both ladies and gents.

The only challenge is to create an awareness in the market. With the right partner this can be achieved – the proposal is to market a product that has a clear monopoly in terms of range, styles, and above all quality.

The potential in terms of numbers along with the continuous growth of urban population and mass media at our disposal can generate a multi million dollar corporate.

Our franchisee store offers a unique concept, which will give the opportunity to an individual to start and run its own successful business. Our stores offer exemplary service to its clients - both fashion and necessity wearers. Both, franchisee partners and staff are trained and supported at every step of the way with ongoing updates of new products and it's applications.

OUR FORTE

Wig-O-Mania caters to an array of hair users but have bifurcated them into two broad categories – Fashion users & Necessity users

FASHION

Using hair pieces has become a trend. Celebrities endorse it and hence end users want to flaunt it. It offers them the option of length & volume, a different style and/or a different colour to their own hair without having to use chemicals that often damage natural hair.

There are various options now on hand and most of them are easy to use and maintain - such as Clip & Go Extensions, Ponytails and Wigs.

Products are made in the finest quality of Remy human hair & Japanese high heat fibre that has the look and feel of natural hair.

Wig-O-Mania manufactures all of them in various length, sizes and colours.

NECESSITY WEARERS

The loss of one's crowning glory is a very traumatic experience – an immediate solution would enable them to not only revive a normal lifestyle but continue an ongoing medical treatment with no loss of self esteem.

Due to various medical and non-medical reasons, ladies lose their hair. Hence as an immediate solution or until their treatments are completed, they need a hair piece to cover either their scanty areas, bald patches or in some cases entire head.

We offer a comprehensive range of Hairpieces - Wigs, Toppers, Closures and Toupee in various base materials, sizes and textures to suit every requirement.

Semi-Permanent Extensions

These are Wig-O-Mania's most popular range of semi-permanent hair extensions. They lie flat on the head and feel like one's own natural hair. They are undetectable, light and comfortable. Unlike other extensions, these do not damage one's own hair or cause hair fall during application and removal and they are re-usable if looked after well.

Clip & Go Hair Extensions

These are temporary and easy to fix hair extensions that do not require professional assistance to put or remove them nor for its after care. The quality of the hair and its tic-tac clips along with the convenience to wear them whenever needed in a few minutes makes it easy for daily use. They come in various specs, lengths and colours in both Remy human hair and Japanese high heat fibre.

V - Patch Clip-in Extensions

This is our latest add-on to our collection of products that cater specially to ladies with thinning hair around the Crown area and Nape. These ladies not only need a hair piece to cover it but also to give their hair length & volume.

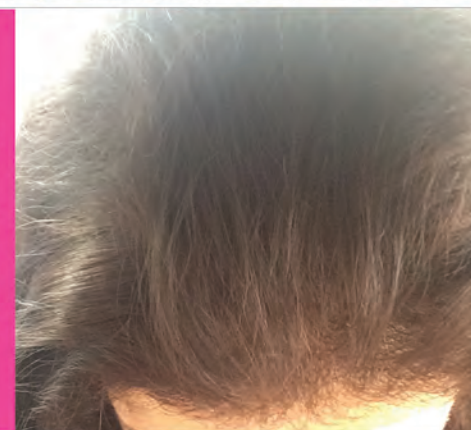

The piece is specially designed to cater to this issue as it sits neatly on top of the crown area and covered with one's own hair from the front to give a natural look. This technique of application also helps cover the odd greying hair in the front.

Ponytails

These are a superb answer to instant convenient hair & an ideal solution to holiday hair too. You can be on the beach, in the swimming pool and not have to worry about your hair for the evening. Even if it is covered in sun cream, you can do a quick shampoo whilst in the shower. Give it a quick dry and then tie it back in a ponytail and put on your hairpiece for instant glam. The same can be said if you are at work and want to go out in the evening and haven't got time to visit the hairdressers. Work all day, come home and pop on your ponytail quicker than having to do your own hair.

Wigs

Our latest styles of wigs in both human hair and Japanese fibre now give ladies an option to change their hair style, hair colour and even length without the need to touch or change their own hair. The craftsmanship in the making of our wigs makes them easy to use, undetectable, and featherweight on the hair. Ladies with medium hair can now enjoy a short hair or those with short and medium length hair can have an instant and immediate long luscious locks for that special occasion.

NECESSITY WEARERS

**Hair loss is no more stress or stigma...
We have an instant solution...**

Wigs

Our wigs are specially designed to cater to the Indian market with special emphasis on the necessary wearers. The focus is presently on women who undergo chemotherapy and are told that among the many side effects it will have, one would be an immediate hair loss. They need an immediate hairpiece – a wig that not only gives her back her original look but also makes her feel comfortable wearing it.
